Worthy State Youth Director Jim,

I would like to report that the Soccer Challenge was a success, we started in August by contacting West Point, Brother Carlos Hernandez who put me in touch with Grand Knight Ben Litton .At this time we discussed a date for the Soccer Challenge once the date was set I sent out e mails to the Aux Chairman to start the process of council, district,region. The date for the State Finals was on November 5.On a cool and damp morning the Finals were finished. I like to thank all the people involved who made the soccer challenge a success. A special thanks to our State Deputy Ken Latham ,our State Secretary Joe Peluso, State Youth Director Jim Thompson ,BMS Coordinator Bill Carney, Long Island Coordinaton Mike Hearney. A special thank you goes out to all the parent who traveled to all the locations thru out the state to compete in this event.

Fraternally Yours,
Alex Weir
